

A black and white photograph of a newborn baby lying in a hospital bed. The baby is wearing a nasal cannula and has their eyes closed. A parent's hand is visible, resting on their chest next to the baby.

Why join the Nutrition and Feeding SIG?

Our FOCUS

Providing a forum for neonatal nurses to come together with a focus on supporting nutrition and feeding in neonatal nurseries.

Our AIM

By facilitating opportunities for networking, education, peer support and guidance, the SIG strives to disseminate consistent and evidenced based information for optimising feeding outcomes in all Australian Neonatal Nurseries.

Member benefits for this SIG

- Networking
- Conference sessions
- Online education sessions
- Peer practice Q&A
- Scholarships
- Online Resources
- Newsletter articles
